Mud-hens are abundant, but of no consequence in the presence of good game. Sam Kagay says the festive Lark abounds in that region, and is a far superior animal to our common quail. Our old friend, Elias Padgett, whose abode is in that neck o'woods, is again on deck, after a protracted of illness, fully recovered, and is looking fine.

We believe there are no tidings as yet

OUR PUBLIC SCHOOLS. ion of the New Building

[Reported for the Press.]

The opening of the public schools took place, as announced, on Monday morning, October 23, and from the merry shouts of laughter on all sides we would judge the children to be in high glee. The weather being exceedingly unfavor able, a portion of the programme was of necessity dispensed with and the children compelled to forego the pleasure of their long expected parade. Howyou the very best gift their money could ever, accepting the inevitable, they were buy.
